Darien Cornfest to celebrate 63 years

The annual Cornfest event will run Friday through Sunday, Sept. 6 to 8 at Darien West Park.

Darien West Park is at the intersection of Highway 14 and North Road at 335 W. Madison St.

Cornfest, which is now in its 63rd year, features family-friendly activities throughout its three-day run, with live music, children's activities, a parade, fireworks, and a carnival. The festival also offers sporting tournaments in softball, horseshoes, cornhole, Hammerschlagen, and volleyball.

The annual celebration of all things corn has all-you-can-eat sweet corn, donated by Birds Eye Foods, from 11 a.m. to 3 p.m. on Saturday and Sunday, Sept. 7 and 8.

The DDSAB (the Delavan-Darien Schools Arts Boosters) is hosting a breakfast from 7:30 a.m. to 10 a.m. on Saturday and 8 to 10:30 a.m. on Sunday.

Other highlights include the Mini-Rod Tractor Pull at noon on Saturday and the Big Corn Shell-Out at 3 p.m. Sunday, followed by the annual raffle drawing at 4 p.m. (tickets are \$1 each or six for \$5.)

Tri-County Pullers

Another fun activity for kids of all ages is the Tri-County Pullers Mini Rod Tractor Pull on Saturday afternoon.

"Tri-County Pullers Inc. brings some of the loudest and fastest-paced mini-rod tractor pulling in Southern Wisconsin and Northern Illinois. Creating exciting entertainment for all ages for the last 30 years, the Tri-County Pullers, Inc., is a family-based organization pulling at fairs and festivals with the finest built tractors in the nation. We support your local Lions clubs and Fire and EMS organizations," the Tri-County Pullers website states.

Community Market

Saturday and Sunday of Cornfest will again feature a community market with makers, bakers, crafters, producers, growers, non-profits, and other small businesses.

Market hours will be 10 a.m. to 6 p.m., Sept. 7 and 10 a.m. to 4 p.m., Sept. 8; however, vendors attending both weekend days have the option to set-up and sell Friday night as well.

Tournaments, contests

Every year, Cornfest hosts a big softball tournament. Prizes are awarded for the top placing teams. Games are played Friday and Saturday, with an additional co-ed tournament being played on Sunday.

Other tournaments held during Cornfest include volleyball, horseshoes, and cornhole (beanbag toss).

See the tournament section of this publication for details, including contacts for each of the sports.

Hammerschlagen

Hammerschlagen is a German game that originated years ago in which several contestants try to hammer a nail into a post.

The hammer is passed between players until someone countersinks their nail into the wood. It is usually considered an adult game, but kids can play when accompanied by an adult.

Hammerschlagen is played just outside the corn barn Friday and Saturday of

Cornfest. Prizes are awarded to the winners and are subject to change.

Parade

The 2024 Cornfest parade kicks off with the Liberty Bike Ride at 10:15 a.m. on Sunday, Sept. 8, followed by the parade line up, which steps off in downtown Darien at noon.

The Liberty Bike Ride is an annual tradition that features military veterans on motorcycles giving tribute to our current and lost military personnel with decorated motorcycles.

Any veteran who would like to ride a motorcycle (all kinds welcome) in the Liberty Bike Ride can arrive in front of Farmers Inn no later than 11:45 a.m.

Line-up for parade units being judged

will begin at 10 a.m. Parade participants must be lined up in their spots before 11 a.m. to be judged.

The parade route is about three-quarters of a mile long. There will be two announcer stands. The first will be in front of the Farmers Inn, and the other in front of the Village Garage.

Parade line-ups are sent out a week in advance. For more information, contact Kellie Joerger by calling 608-317-7151 or emailing kjcornfestparade@gmail.com.

Carnival

The carnival is open all three days of the event, with wristband specials at \$25 from 5 to 9 p.m. on Friday, and noon to 4 p.m. and again from 5 to 9 p.m. on Saturday.

Headlining on the Miller Lite Stage

this year are Dirt Road Rebelz at 7 p.m. on Friday and Chery Pie at 7:30 p.m. on Saturday.

Birds Eye supports fest with free corn

Local company a longtime supporter of community event

Birds Eye in Darien donates the sweet corn for the annual Cornfest celebration held in the village.

Free roasted corn on the cob will be served Saturday and Sunday, Sept. 7 and 8, from 11 a.m. to 3 p.m. at Darien West Park.

According to the Birds Eye website, Clarence Birdseye was a man of vision, curiosity, and persistence.

Birdseye was a naturalist, a businessman, and a skillful inventor who used his unique gifts to develop a flash-freezing process that not only preserved food safely but also preserved its taste and appearance.

He returned to the United States and formed the General Seafood Corporation with some wealthy partners who believed in his process. The partners' financial support allowed the inventive Birdseye to develop and perfect a machine called a "Quick Freeze Machine," which he unveiled in 1926.

Birdseye then focused on marketing. He tested refrigerated grocery display cases and entered into a joint venture agreement to manufacture them.

Birdseye's company began leasing refrigerated boxcars to transport frozen foods by rail in 1944. This made national distribution a reality and Birdseye a legend.

Fresh from the farm

Birds Eye has a long history of working with local farmers, and some of the company's family farms go back generations, according to the website.

"Some companies have lofty goals. To fight disease. Or feed the world. Or save

the planet. At Birds Eye our ambition is humble.

We just want to help people eat more vegetables," the Birds Eye website states.

Birds Eye says its vegetables ripen in the field – not on the truck.

"We pick our vegetables at the height of nutritional value. Our farmers carefully select only the best, highest-quality vegetables and they are flash frozen within hours to lock in that freshness," the website states.

"Birds Eye veggies are as nutritious when they hit your plate, as the day they were picked," it states.

Responsible growing

Birds Eye supports farmers' efforts with irrigation water conservation to reduce usage and enable reuse of post-use water, according to the website.

The company also works together to treat only specific parts of their fields with fertilization, avoiding the unnecessary costs and potential environmental impact of spraying entire fields.

The website states, Birds Eye has invested in technology in the fields that enables it to communicate directly with the plants. This allows them to time harvesting with their production schedule, so that they pick the vegetables at peak ripeness and transport them directly to the plants that are ready to receive, wash and freeze them all within a few hours.

This process conserves water and energy, while locking in important nutrients and great taste, the website states.

For more information about Birds Eye, visit www.birdseye.com.

Ready to pull

An event held during Darien Cornfest that continues to be a crowd favorite is the Tri-County Pullers Mini Rod Tractor Pull, which begins at noon on Saturday, Sept. 7. According to the TCP website, they aim to bring some of the "loudest and fastest paced mini-rod tractor pulling" to venues in southern Wisconsin and northern Illinois. Tri-County has been running pull events for 30-plus years and is a "family-based organization. We support local Lions clubs and fire and EMS organization," the website states.

Plenty of fun and games

Cornfest is a family-friendly event, and while there are numerous things happening to entertain guests, including the festival's younger guests, the annual carnival is one of the favorite places for families to spend a little time. While the carnival will be open all three days of the event, wristband specials are available at a cost of \$25 each from 5 to 9 p.m. on Friday, and noon to 4 p.m. as well as 5 to 9 p.m. on Saturday.

Bringing the music

The parade is described as "huge" by organizers and certainly lives up to that name each year.

What an ear (of corn!)

above: This large ear of corn is a great marketing tool to help draw passersby to Darien Cornfest. Keep an eye out for it near entrances to the village and in the annual parade, which will be held at noon, Sunday, Sept. 8.

Here's your sign

at right: Cornfest has a new sign that replaced the one on Highway 14 in the Village of Darien, close to West Park where the fest is held. The sign was made from a composite-like material by Tim, owner of the Wooden Sign Company in Elkhorn. It has a 3D effect as the corn kernels are carved out.
