MESSAGE *from the* PRESIDENT

Dear Members and Friends of the Willowbrook-Burr Ridge Chamber of Commerce,

Thank you for the opportunity to serve as president of our esteemed Chamber. It is a privilege to work alongside such dedicated individuals and businesses who are committed to supporting one another and our vibrant community.

For those I have not yet had the pleasure of meeting, allow me to introduce myself. I serve as a District Manager for Farmers Insurance, overseeing agents throughout the Chicagoland area. My journey with Farmers began in Libertyville, and through hard work and dedication, I have had the honor of managing a team that stretches from Round Lake to Flossmoor and Plainfield. My educational background includes a Bachelor's degree in Finance from Michigan State University and a Masters in Teaching from National-Louis University. While my career path initially pointed towards teaching, my entrepreneurial spirit led me to Farmers Insurance, and I haven't looked back since.

PRESIDENT
Kyle Wetzel

My admiration for Burr Ridge's accessibility initially drew me here, but it is the incredible people and businesses of both Burr Ridge and Willowbrook that have truly captured my heart over the past nine years.

I first joined our Chamber in 2016, initially as many do—attending sporadic events without fully engaging. However, it wasn't until 2017, when Brad Kmetz kindly pointed out my absence from our luncheons, that I realized the true value of active participation. Since then, my involvement has deepened, culminating in roles on the Board of Directors and serving as Secretary on the Executive Board before becoming the President in 2021. I have also had the pleasure of co-chairing committees and was humbled to be named Director of the Year in 2019. For me, Chamber membership is a blend of business advantage, civic duty, and a commitment to building a brighter future for our communities.

Back to the present, this year we collaborated with the Village of Burr Ridge to enhance the village's community events. We teamed up to introduce beverage sales at the Concerts on the Green, allowing the Chamber to have a more visible presence in the community while enhancing the experience for attendees.

Additionally, we engaged with the

Village of Willowbrook regarding their Village Comprehensive Plan, ensuring that our Chamber and its membership helped play a pivotal role in shaping our shared future of downtown Willowbrook.

The success of our Chamber hinges on your active involvement. It is through your participation that we foster business growth, forge meaningful relationships, and contribute positively to our Villages. We have tons of opportunities too, including our annual golf outing, Halloween Hoopla which is our trunk-or-treat party for families, an outstandingly active Women in Business committee, and monthly membership luncheons... and we're always adding more events too! All of these events require behind the scenes work, and for that I would like to extend my heartfelt thanks to our membership, our dedicated directors, and our Chamber administrators for their unwavering commitment. Together, we will continue to support and promote the prosperity of all our members in the year ahead.

Thank you for your time and dedication. Wishing everyone a safe and successful year ahead.

Warm regards,

Kyle Wetzel

ANN PANCOTTO

*Real Estate Broker
The Ann Pancotto Group, Compass*

With more than 31 years of vast experience, Ann Pancotto and her husband have successfully led The Pancotto Group at Compass. A third-generation real estate expert, there is no aspect of the industry she will shy away from to meet the needs of a client.

Covering all Residential, Commercial Real Estate in Chicago and its Western Suburbs, Ann has grown her Real Estate Group to cover the whole leasing part of it as well and has won many awards as one of the leading leasing experts at Compass. Both Ann and Nick are new construction experts and have helped develop the luxury home market in Hinsdale and all the surrounding towns for over 30 years and have expanded to multi-family development. Growing as Chicago grows, her committed, full-time team is set apart from its competitors, as there is no transaction too big or too small. Pancotto brings integrity, expertise and knowledge to each client interaction, delivering an experience that ensures constant repeat and referral business. "We care a lot about our clients," she says. "We do this full-time, and we do it ... because we absolutely love it. Our heart and soul goes into it," she declares. Making our clients happy is a goal that we strive to achieve with each transaction big or small!

Year after year, Pancotto maintains multi-million dollar producer status through heavy marketing, thanks to Compass' state-of-the-art tools. She and her team enjoyed a notably successful year in 2023, totaling over \$30 million in sales. They were also featured in Top Agent Magazine this year and for the fifth year in a row. A lifelong learner, she holds multiple designations: Certified Residential Specialist, Certified Global Luxury Property Specialist, and Certified Short sale, REO and Foreclosure Specialist. She also holds a Relocation Specialist credential and is a leasing expert who won the top leasing award with Compass for two consecutive years. Ann is also one the top volume agents at Compass and received two awards this year for her outstanding work.

Ann is member of the Chamber of Commerce of Burr Ridge/Wil- lowbrook and Westmont as well a Board Member of the Commercial Alliance Committee with the Mainstreet Organization of Realtors. In 2023 Ann was inducted into the Compass Legends Society as an Honoree. Ann also donates her time in helping in vast charities within the Chamber and her community.

Pancotto is also a member of her local and national Realtor associations. Her team members are now licensed in Florida and are eager to serve clientele looking for real estate in southwest Florida and throughout the Chicago metro area. Growing her group within the Real Estate industry, she is always looking for new agents to mentor and bring into the Pancotto Group.

Ann's motto is; God first and family and servicing her clients making sure everyone is happy to the best of her ability! She says, "I love what I do and when you love what you do, you can't help but grow and succeed when you work with integrity!"

HISTORY *of your* CHAMBER *of* COMMERCE

The Willowbrook/Burr Ridge Chamber of Commerce and Industry was originally formed as the "Business Peoples Association" in 1980 to work in harmony with government and community leaders. The organization was chartered a year later as the Chamber of Commerce of Willowbrook.

In 1985, the Willowbrook/Burr Ridge Chamber of Commerce was founded when these neighboring villages joined forces to meet common goals.

By working together, sharing resources and talent, the Willowbrook/Burr Ridge Chamber of Commerce and Industry creates a stimulating environment for the economic growth and well being of our communities and businesses.

Our efforts strengthen the communities' economic base and promote its assets, assuring that Willowbrook and Burr Ridge remain a healthy area in which to live and do business.

JOINING THE CHAMBER OF COMMERCE & INDUSTRY

Membership in the Willowbrook/Burr Ridge Chamber of Commerce and Industry provides a unique opportunity for

people with common interests to interact, exchange ideas and discuss areas of interest and concern.

The Chamber unites the business community, channels their resources, and acts as your business advocate. As a member, you can play an important role in shaping the business agenda and directing a course of action.

Our Chamber is committed to using all available resources to provide our member businesses the best possible representation, service and business growth opportunities. Area businesses also use the Chamber as a focal point for community involvement.

The Chamber is a voluntary not-for-profit organization financed solely by membership dues and fund raising activities. Your membership fee is a legitimate business expense and is tax

deductible.

MISSION STATEMENT

The Willowbrook/Burr Ridge Chamber of Commerce and Industry strives to enhance the business environment and increase the economic growth of its members. It provides community leadership, facilitates communication, promotes education, supports local causes, and continually represents the interest and advancement of its members.

The Mission Statement is carried out by members working together, sharing resources and talent.

Our efforts strengthen the communities' economic base and promote its assets, assuring that Willowbrook and Burr Ridge remain a healthy place in which to live and do business.

BURR RIDGE FOR BUSINESS

Nestled 19 miles west of the Chicago loop, Burr Ridge is home to distinguished houses on large lots in quiet neighborhoods, fine dining, upscale shopping, quality hotels, excellent recreational opportunities, highly rated schools, open land for new business and a progressive business environment. The thriving business community ensures that Burr Ridge, year after year, maintains one of the lowest tax rates in DuPage County.

Worth magazine named the community one of the top 250 wealthiest communities in the country. In 2011, The Business Journals exclusive 'On Numbers' report ranked the quality of life in Burr Ridge second out of 955 Midwestern communities.

Straddling the border of DuPage and Cook Counties, Burr Ridge is conveniently located at the intersection of I-294 and I-55, just minutes from I-355 and 290. These expressways provide direct access to O'Hare and Midway airports. Three train stations in neighboring communities, hotel shuttles,

and a Pace Bus facility in downtown Burr Ridge provide easy access to regional transportation and downtown Chicago without all the congestion.

Home to over 500 large and small local and national businesses, occupying more than 6 million square feet of floor area and employing over 10,000 people, Burr Ridge has a carefully planned mix of office and industrial parks and two well-designed retail areas in a natural setting. The two retail centers, County Line Square and Burr Ridge Village Center, are conveniently located at the southeast corner of County Line Road and host exciting community events each year. From an annual 5k race and Car Show to a weekly outdoor summer concert series, thousands of residents and visitors come from the region to enjoy the amenities in Burr Ridge.

Brush Pickup

The Village offers curbside brush pickup every fall on the 4th Monday in October. Residents who have brush that is too large to be picked up by the normal landscape waste through Groot can place it beside the road no later than 7:00 AM on the 4th Monday in October. Once the contractor has passed your street, they will not return.

Refuse Collection & Recycling

The Village of Burr Ridge contracts with Groot Industries for its refuse, recycling, and yard waste collection needs. Residents can receive information regarding the particulars of the services through Groot Industries, by contacting Village Hall staff, or visiting the village's website.

Voter Registration

Eligible voters may register at Village Hall by appearing in person with two forms of identification, including one showing the applicants' current address, during regular business hours.

Public Transportation

BNSF passenger railroad stations are in neighboring Villages of Clarendon Hills, Hinsdale, and Western Springs. PACE bus service into Chicago is available through the Burr Ridge Park N Ride Facility located in Downtown Burr Ridge. Commuters can access the Pace schedule through the website: <https://www.pacebus.com>.

Building Permits

The Village of Burr Ridge requires building permits for construction at residential, commercial, and industrial properties, including work occurring in the right-of-way. Detailed information about building permits and the permitting process is available by visiting the Village's website. As of May 1, 2024, the Village of Burr Ridge has implemented a new building permit fee schedule.

HISTORY

The area now known as Burr Ridge was once the home of the Sioux, Pottawattamie, Ottawa, and Chippewa Native Americans. After the Treaty of New Echota in 1835, most Native Americans were relocated from the region to the west of the Mississippi. In the early 1950s, the area was sparsely settled, and large tracts of land were devoted to farming. The gently rolling hills and wooded sections of the eastern portion of the region were, for the most part, divided into five-acre tracts. On October 30, 1956, a one-square-mile area bounded by Old Route 66, County Line Road, 79th Street, and the east line of the Denmark Farm was incorporated as the Village of Harvester.

On October 20, 1956, in the garage of a residence on Drew Avenue, 143 residents of Robert Bartlett's Estates (the one square mile area bounded by Old Route 66, County Line Road, 79th Street, and the east line of the Denmark Farm, which is now Burr Ridge Industrial commons) cast their votes on the question of incorporation. Two days later, the results were official (76 votes for and 67 against), and on October 30, 1956, the incorporation of the Village of Harvester was confirmed. The new Village had approximately 75 homes and a population of less than 300.

In August 1961, the territory north of Route 66, including the 414-acre International Harvester research facility (now the CNH Industrial facility and the Fieldstone, High Grove, Oak Grove, and Chestnut Hills developments), was annexed to the Village. The annexation included the area known as Burr Ridge Estates (which the Busby family developed into five-acre tracts in the early 1950s. The Busby family's farm ran along County Line Road near Plainfield Road and was called the "burr ridge" due to the large stand of burr oak trees. In August 1962, the community changed the Village's name to Burr Ridge. The burr oak leaf became the Village emblem. Its slogan – "A Very Special Place" – was the title of a small book written in 1976 to reflect on the Village's pride at its 20th Anniversary. Shortly after the change in the Village's name, the former Babcock dairy farm was annexed to the Village for development as Carriage Way. Milk from this farm had been processed and distributed to the Chicago Guernsey

Dairy Center, now the site of Sedgley Estates.

In 1984, Burr Ridge became the first in DuPage County to provide Lake Michigan water to all its customers and, by 1997, became known as one of the 300 wealthiest communities in America. To preserve the hallmark woodlands, ponds, and wetlands, the Village founders monitored the transformation of large tracts of open farmland and woodlands in the years after incorporation. Burr Ridge became a planned community of approximately seven square miles, with 11,259 residents residing in about 4,000 homes.

The burr oaks still exist in Burr Ridge, along with fine homes on generous lots and distinguished townhome communities. Local shopping and high-quality office parks are blended into this natural setting, attracting those who become both residents and valued members of the business community. The well-balanced mix of the business and residential communities has allowed Burr Ridge to maintain a healthy corporate fund and one of the lowest tax rates in DuPage County.

Fresh Market and Ultra Beauty. Outlot businesses include Lumes Pancake House, Fire House Subs and AT&T, among others.

Willowbrook will welcome a half dozen or more new businesses in the coming year. A number of properties are in the process of remodeling and renovating to house the new companies.

LICENSES AND PERMITS

Building permits for any new building construction, additions and remodeling must be obtained from the Community Development Department at the Village Hall before any new construction is started. Accurate blueprints or drawings must accompany each request.

PUBLIC TRANSPORTATION

Provided by P.A.C.E. and the RTA weekdays to and from the Clarendon Hills and Hinsdale Stations during morning and evening travel hours on a scheduled basis. Bus No. 663 and Bus No. 664 travel along routes in Willowbrook and Darien. For information call toll free 1.800.972.7000.

REFUSE COLLECTION & RECYCLING

Single family detached residences are served by Groot Industries under contract with the Village using a cart based collection program. As part of the collection program, all single-family residential properties serviced curbside are issued two (2) wheeled carts, one for garbage and one for recycling. Residents are billed directly by Groot Industries on a quarterly basis. Yard waste requires a sticker on a 30-gallon biodegradable Kraft paper bag or an optional cart paid for monthly directly to Groot. Multi family facilities and

attached single family units are served by contracts arranged by homeowner's associations or facility management agencies.

SANITATION

Sewer and sanitation services are provided by two agencies. Flagg Creek Water Reclamation District which serves the area generally north of Plainfield Road and DuPage County which serves the area generally south of Plainfield Road.

WATER

The Village's water system is supplied entirely by Lake Michigan, through the DuPage Water Commission. Since December 1991, Willowbrook has been receiving approximately 400,000,000 gallons of water yearly from the lake source. The Village has the capacity to store up to 4,000,000 gallons of water in above ground facilities.

HISTORY

In 1959, a homeowner's group called the Ridgemoor Homeowners Association decided to incorporate as a Village in order to be able to guide the development of farmland which surrounded their homes. Changes in the law scheduled to become effective January 1, 1960, which would require a population of 400 for incorporation, caused this group of 167 people to expedite its request to be made a village. In fact, while the case for incorporation was before the court, the attorney for the homeowner's association called the association president, Anton Borse, frantically asking for a name for the new village. Borse looked out his window and saw the willow trees along the edge of a creek at the back of his property and promptly gave the village its name. Willowbrook became one of the State's smallest villages on January 18, 1960.

WILLOWBROOK PARKS
